

-Couldn't sleep last night, so I studied the shadows on the wall and ceiling.

-Mysterious!

-Just the single nightlight in a floor socket, thus they're huge!

-Great! Intriguing!

-So...I puzzled out...*that's a bookcase, that's an inner shutter, and that's...*

-Long story short?

-I could draw you a detailed diagram right now! Case utterly solved!

-You have taken mystery and turned it into you?

-I suppose.

-Longer I live, more I'm cheated!

-Sorry! Next time I'll leave half undone! My usual half-ass!

-Leave *something!*

-What gods get angry if I don't?

-*All of them!*
